She looks extremely professional when she plays. Her tone quality is excellent and so are her dynamics. It sounded like a very challenging piece, but Sandy made it look easy. She even memorized it!

It was really cute and they had really nice blend. Also they balanced the instruments and their voices very well.

Really impressive how he memorized the lyrics and the chords for the guitar.

Sharon & Emily

I like how they were able to play together, both had great tone.

It feels like we've been living in fast forward. Another moment passing by. The party's ending but it's now or never.
